

WTC Program Administrator at the address specified in the notice of denial.

(1) The letter shall be sent within 60 days of the date of the WTC Program Administrator's notification letter, and shall state the reasons why the individual believes the denial was incorrect and may include relevant new evidence not previously considered by the WTC Program Administrator.

(2) Where the denial is based on information from the terrorist watch list, the appeal will be forwarded to the appropriate Federal agency.

(b) The WTC Program Administrator will designate a Federal official independent of the WTC Health Program to review the appeal. The Federal official will issue a final decision after receipt and review.

(c) The WTC Program Administrator may reopen and reconsider a denial at any time.

§ 88.12 Physician's determination of WTC-related health conditions.

(a) A physician in a Clinical Center of Excellence or a member of the nationwide provider network shall promptly transmit to the WTC Program Administrator a diagnosis and the basis for the diagnosis of a WTC-related health condition or health condition medically associated with a WTC-related health condition. The physician's diagnosis shall be made based on an assessment of the following:

(1) The individual's exposure to airborne toxins, any other hazard or any other adverse condition resulting from the September 11, 2001, terrorist attacks.

(2) The type of symptoms experienced by the individual and the temporal sequence of those symptoms.

(b) For a health condition medically associated with a WTC-related health condition, the physician's determination shall contain information establishing how the health condition has resulted from treatment of a previously certified WTC-related health condition or how it has resulted from progression of the certified WTC-related health condition.

§ 88.13 WTC Program Administrator's certification of health conditions.

(a) *WTC-related health condition.* (1) The WTC Program Administrator will review each physician determination, render a decision regarding certification, and notify the WTC responder, screening-eligible survivor, or certified-eligible survivor of the WTC Program Administrator's decision and the reason for the decision in writing.

(2) If certification is denied, the WTC responder, screening-eligible survivor, or certified-eligible survivor may appeal the WTC Program Administrator's decision to deny certification, as provided under § 88.15.

(b) *Health condition medically associated with a WTC-related health condition.* (1) The WTC Program Administrator will review each physician determination, render a decision regarding certification, and notify the WTC responder or certified-eligible survivor in writing of the WTC Program Administrator's decision and the reason for the decision.

(i) In the course of review, the WTC Program Administrator may seek a recommendation about certification from a physician panel with appropriate expertise for the condition.

(ii) [Reserved]

(2) If certification is denied, the WTC responder or certified-eligible survivor may appeal the WTC Program Administrator's decision to deny certification, as provided under § 88.15.

(c) *Treatment pending certification.* While certification is pending, authorization for treatment of a WTC-related health condition or a health condition medically associated with a WTC-related health condition shall be obtained from the WTC Program Administrator before treatment is provided, except for the provision of treatment for a medical emergency.

§ 88.14 Standard for determining medical necessity.

All treatment provided under the WTC Health Program will adhere to a standard which is reasonable and appropriate; based on scientific evidence, professional standards of care, expert opinion or any other relevant information; and which has been included in
